SCOOP

LIFE AT SORRENTO

May was full of Crafts and Activities

Sorrento Residents had a great time keeping their hands busy with a variety of May themed crafts.

Here are some pictures of all the fun we had.

LIFE AT SORRENTO

Food Demos

Sorrento Residents are so wise and love to share their knowledge. Residents had the opportunity to take part in making goodies such as Crostata, Polish Crepes, Pizzelle, Chocolate Covered Strawberries, homemade Granola, Chocolate Zucchini Cake, and No Bake Snowballs. Our second floor residents also enjoy their time in the kitchen as they have made a Layered Taco Dip, Greek Salad Dressing, and Chocolate Covered Fruit.

There is truly never a dull moment at Sorrento!

LIFE AT SORENTO

June

The sun is rich
And gladly pays
In golden hours,
Silver days,

And long green weeks
That never end.
School's out. The time
Is ours to spend.

There's Little League,
Hopscotch, the creek,
And, after supper,
Hide-and-seek.

The live-long light
Is like a dream,
And freckles come
Like flies to cream.

FLOWER OF THE MONTH

Why Are There Two Birth Flowers Per Month? You'll notice that some months have two birth flowers. Not all cultures agree on which flowers correspond to which months, plus some flowers simply aren't as available in different regions. Listed is the most traditional primary flower as well as a secondary flower when there is one.

Rose

Symbolize love,
royalty, beauty,
sensuality, secrecy, and
mysticism

Honeysuckle

symbolizes pure
happiness,
sweetness,
affection, and even
nostalgia.

May 21 -
June 20

Gemini Personality Traits

Strengths: they're adaptable, outgoing, and intelligent—there's never a dull moment with a Gemini.

Weaknesses: they're indecisive, impulsive, unreliable, and nosy—be careful

Likes: Geminis generally like intellectual stimulation, variety, communication, and socializing.

Dislikes: They dislike monotony, stagnation, and being alone.

June 21 -
July 22

Cancer Personality Traits

Strengths: Taurus individuals are characterized by their reliability, practicality, and appreciation for beauty.

Weaknesses: They need to be mindful of their stubborn streak.

Likes: music, gardening, greenery, romance, finest things, nature, books, philosophy, solitude, sensible talks, peace

Dislikes: changes, insecurity, small talks, arguments, boasting, being in lime light, social attention.
